Sanitisation & Individual Hygiene GEL Sanitiser

Mobilising quickly at the beginning of the crisis, our partners in liquid sanitiser have been supporting front line workers including the NHS across the UK.

Our aim is to enable businesses, in the first instance, to be PPE Secure and to continually ensure a safe environment for their workforce and clients moving forward.

With UK taking its first tentative steps to easing the lockdown, we provide clients with a secure and reliable source of UK manufactured liquid hand sanitiser in combination with Motion Sensor Dispensers (MSD. MSD's hold 1000ml of liquid and can be stand or wall mounted, dispensing 30,000 applications in a single charge (type C replaceable batteries), or AC POWER operated. Each activation releases 1ml of liquid and a projected usage calculation ensures that business always have optimum levels of supply.

Powered Health Care Air Respirator

By using a Powered Health Care Air Respirator, fresh air is circulated to the breathing area creating a positive pressure.

This means no effort by the user in drawing the air through the filter.

The positive air pressure also prevents unfiltered air to enter the hood making the protection much more reliable.

This hood is a non woven fabric which can be disinfected.

Certified by ECS GmbH to EN 166 F

04

Desk Screen & Separation Partition

Desk Screen & Separation Partition

- 5 year warranty.

Polycarbonate is shatter proof and has a class 1 fire rating

04

Desk Screen & Separation Partition

01 Disposable Face mask & Gloves

02 Hand Sanitiser & Automatic Dispenser

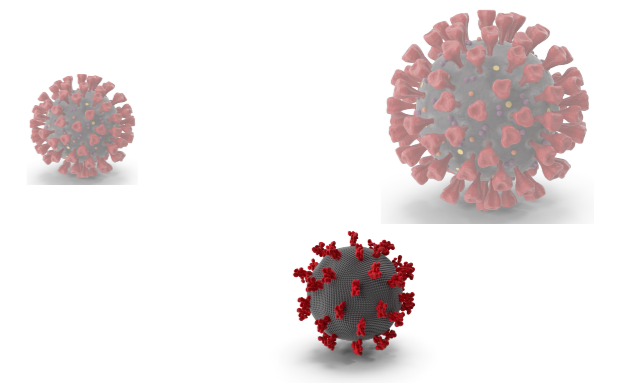

03 Respirator & Infrared Thermometer

04 Desk Screen & Separation Partition

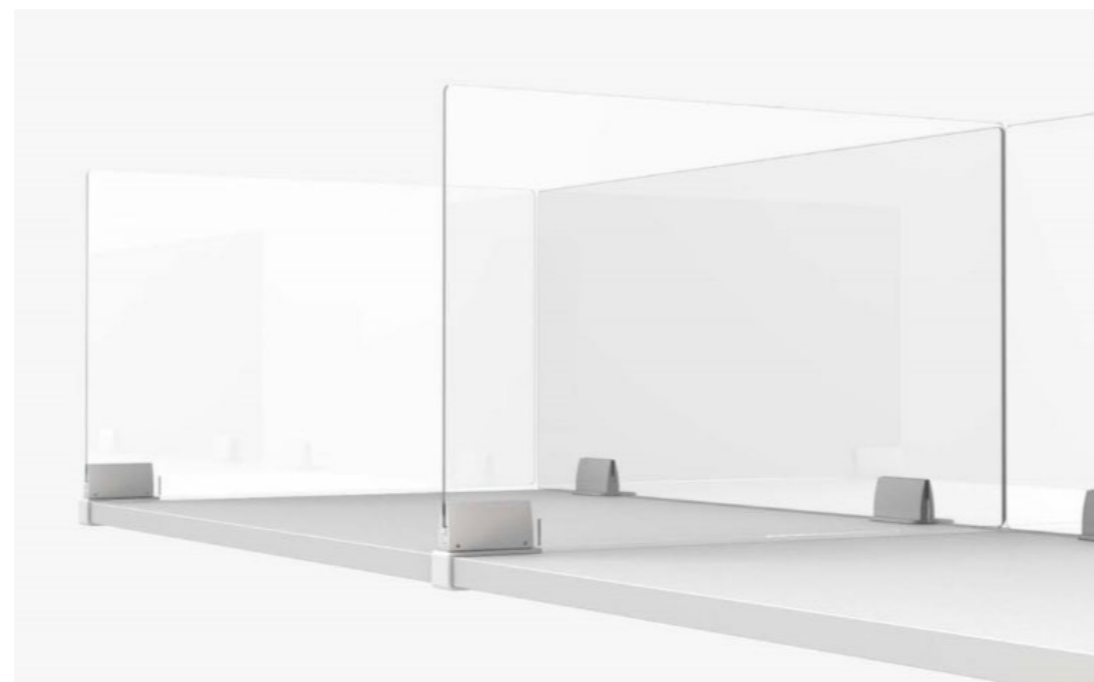

Polycarbonate Screens

Polycarbonate has a class 1 fire rating and is shatter proof, compared to acrylic which has a class 3 fire rating and tends to shatter on impact.

Dimensions should generally be requested 50mm inside all edges, for example, a 1200 x 600 desk would get a 1100 x 500 screen.

Polycarbonate is shatter proof and has a class 1 fire rating

04

Desk Screen & Separation Partition
